Outpatient Services Schedule Update

Top 3 in the Nation—Again!

BEST CHILDREN'S HOSPITALS
U.S.News & World Report
HONOR ROLL 2012-13

Cincinnati Children's once again ranks third in the nation among all Honor Roll hospitals in U.S. News & World Report's 2012 Best Children's Hospitals ranking.

We are one of only 12 Honor Roll hospitals in the United States. We are ranked in the top 10 for all pediatric subspecialties and in the top five for nine of the 10.

The specialties and Cincinnati Children's rank are:

- Neonatology #1
- Pulmonology #2
- Cancer #3
- Gastroenterology #3
- Nephrology #3
- Neurology and neurosurgery #4
- Orthopaedics #4
- Urology #4
- Diabetes and endocrinology #5
- Cardiology and heart surgery #8

For more information about our rankings, visit:
www.cincinnatichildrens.org/rankings

The Outpatient Services Schedule Update has scheduling information for our neighborhood locations and the outpatient services available at the main hospital located near the University of Cincinnati.

Physician Priority Link

Physician Priority Link is a unique physician-to-physician service provided by Cincinnati Children's. Any physician needing a consult about a patient can call the Physician Priority Link. A physician at Cincinnati Children's will be available to take your call within two minutes.

One number does it all. Simply dial **513-636-7997 or 1-888-636-7997 (Fax: 513-636-8012)**, 24 hours a day, seven days a week. This number connects you to the specially trained Physician Priority Link operators who can:

- Connect you with a specialist on-call for consultation
- Put you in contact, for referral purposes, with the appropriate resource anywhere through out the medical center
- Connect you for lab and test results
- Link you to resources for patient care follow-up
- Provide general information
- Direct you to special services as needed

Urgent Care Wait Time Hotline Available

Doctors: When you refer your patients to Urgent Care, please have them call 513-636-4848. Patients will find out if there will be a wait at our Urgent Care centers before they get into the car. Wait times are updated every half hour.
