ABOUT THE PRESENTERS

J. Paul Willging, MD is Professor of Otolaryngology – Head and Neck Surgery at the University of Cincinnati Medical Center. He is Director of the Interdisciplinary Feeding Team, and is Director of the Velopharyngeal Dysfunction Clinic. He is a member of the Craniofacial Center at Cincinnati Children's and the Craniofacial Anomaly Team at the Shriners Hospitals for Children in Cincinnati.

Cherie Torres-Silva, MD is an Assistant Professor in the Division of Pediatric Pulmonary Medicine at Cincinnati Children's. She is a member of the Aerodigestive physician team.

Claire Miller, PhD, CCC-SLP is the Program Director of the Aerodigestive Center/Interdisciplinary Feeding Team at Cincinnati Children's Hospital Medical Center. Dr. Miller also works within the Division of Speech-Language Pathology at Cincinnati Children's Hospital Medical Center and maintains clinical expertise is in the assessment and treatment of feeding and swallowing in pediatric patients with structural and neurological deficits.

Ann Clonan, M.Ed, CCC-SLP is the Clinical Manager of the Speech Pathology Inpatient Team at Cincinnati Children's Hospital Medical Center. Ms. Clonan specializes in working with infant and toddlers specifically in the area of feeding. Ms. Clonan holds NDT certification.

Jessica Linck, MA, CCC-SLP is a speech pathologist on the inpatient team at Cincinnati Children's. She has a special interest and expertise in pediatric dysphagia, and is a member of the neuromuscular and cardiology clinic teams. She focuses on the evaluation and management of patients with pediatric dysphagia.

Teresa Lonnemann, RN is a clinical nurse in the CCHMC Outpatient department with a special focus in the care of children with airway issues and is an active participant in the pediatric FEES clinic. She has served as an adjunct instructor in clinical nursing at Thomas More College.

CONFERENCE FEE

Early Registration by: September 6, 2013	$400
Registration on or after: September 7, 2013	$450
Registration Deadline: Friday, September 27, 2013 **(or when occupancy is met.)**	

Tuition includes continental breakfasts and boxed lunches, course handouts, CEUs, certificates of course attendance, and a networking reception on Day 1.

Directions to the conference rooms and hotel options will be sent with e-mail confirmation of registration.

ON-LINE REGISTRATION IS REQUIRED

To register go to: **www.cincinnatichildrens.org/speech** and click on the event title for this event.

PAYMENT OPTIONS:

- **CREDIT CARD:** register online as described above. (Transactions will be processed at time of registration).
- **CHECK:** register online as described above, complete the form below, and submit form with payment (make checks payable to CCHMC) to Holly Finnegan (address below).

Pediatric Dysphagia Series:

Instrumental Evaluation of Pediatric Dysphagia: Pediatric Fiberoptic Endoscopic Evaluation of Swallowing (FEES)

October 11 & 12, 2013

The Division of Otolaryngology – Head & Neck Surgery
&
The Division of Speech-Language Pathology

Cincinnati Children's Hospital Medical Center

Location: Main Hospital
3333 Burnet Ave.
S Building – Room S1.2013
Cincinnati, OH 45231

Cincinnati Children's
change the outcome

COURSE DESCRIPTION

The focus of this course will be upon the use of instrumentation in the assessment and management of pediatric dysphagia. Protocols for the use and interpretation of Fiberoptic Endoscopic Evaluation of Swallowing (FEES) and videofluoroscopic evaluation of swallowing (VSS) will be presented. The application of other diagnostic measures such as impedance and manometry will be presented.

LEARNER OUTCOMES

Upon completion of this seminar, the participants will be able to:

- Describe the protocols used in pediatric fiberoptic endoscopic and videofluoroscopic swallowing assessments and the application of each study in special populations such as the neonatal intensive care unit.
- Describe the equipment components needed for instrumental assessment of FEES and Videofluoroscopy.
- Identify clinical indications for instrumental assessment of swallowing.
- Explain how to implement the use of pediatric FEES in the clinical setting,
- Discuss the effects of chronic aspiration on overall pulmonary status.
- Differentiate advantages and disadvantages associated with instrumental assessments of swallowing.
- Discuss the range of instrumental assessments available for evaluation of pediatric dysphagia.
- Describe available methodology for assessment of aspiration.
- Recognize and identify anatomical landmarks and key structures in the upper aerodigestive tract.

Day 1 OCTOBER 11, 2013

7:45 – 8:15	Registration, sign-in, continental breakfast
8:15 – 8:30	Welcome, Course Objectives and Introduction of Speakers
8:30 – 9:30	Overview of the CCHMC Aerodigestive Program, Comprehensive Aerodigestive Diagnostic Assessment, and the Role of Instrumental Swallowing Assessment
9:30 – 10:15	Focus on FEES: History of Pediatric FEES, Roles on the FEES Team at CCHMC
10:15 – 10:30	**BREAK**
10:30 – 12:00	Identification of Anatomy, Endoscopic View of Normal and Abnormal Swallowing Dynamics, Introduction to Equipment and Logistics of Scope Passage
12:00 – 1:00	**LUNCH (PROVIDED)**
1:00 – 1:45	Clinical presentation and identification of aspiration; medical management
1:45 – 2:00	Questions/Discussion
2:00 – 2:30	Introduction to equipment, tips and tricks, break into small groups for “hands-on activities with handling the scope and conducting FEES procedures
2:30 – 2:45	**BREAK**
2:45 – 5:00	Re-convene in Location C, Fees Clinic for hands-on Practice; Passing the Scope; Swallowing Workstation Measures, Facility Tour to Include Sterilization Area and Storage Area for Equipment
5:00 – 5:15	Questions, Answers and Adjourn
5:15 – 6:30	Networking reception
5:15 – 6:30	Networking Reception (Room D2.22)

Day 2 OCTOBER 12, 2013

8:00 – 8:30	Continental breakfast
8:30 – 9:00	Interpretation of the FEES Exam, Scoring, Use of Compensatory Strategies.
9:00 – 10:00	Case Studies – practice with interpretation using an audience response system
10:00 – 10:15	**BREAK**
10:15 – 11:30	Role of FEES in the NICU and with medical fragile patients, formulation of recommendations
11:30 – 11:45	Questions, Answers and Review to this Point
11:45 – 1:00	**LUNCH (PROVIDED)**
1:00 – 2:00	Comparing and Contrasting Videofluoroscopy and FEES, Advantages, Disadvantages
2:00 – 3:00	Role of microlaryngoscopy, esophageal endoscopy impedance, and manometry in the diagnostic and management protocol
3:00 – 3:15	**BREAK**
3:15 – 4:15	Putting It All Together: Setting up a clinic, Scope Care, Identifying a Mentor
4:15 – 4:30	Questions, Course Evaluation, Adjourn

Course Accreditation

APPROVED PROVIDER ASHA CONTINUING EDUCATION AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION

Cincinnati Children's Hospital Medical Center is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for 1.3 ASHA CEUs (Advanced Level, Professional area)
