CURRICULUM VITAE

NAME: LISA M. INGERSKI

OFFICE ADDRESS: Department of Psychology
St. Jude Children's Research Hospital
262 Danny Thomas Place, Mail Stop 740
Memphis, Tennessee 38105-3678
Telephone: (901) 595-7650
Fax: (901) 595-4701
Email: lisa.ingerski@stjude.org

ACADEMIC DEGREES:

B.A. 2003 University of Virginia, Charlottesville, VA
Major: Psychology; Minor: Religious Studies

M.S. 2005 University of Florida, Department of Clinical and Health Psychology, Gainesville, FL (APA Accredited Program in Clinical Psychology)
Major: Clinical Psychology
Thesis Title: "Impact of pediatric obesity on quality of life"

Ph.D. 2008 University of Florida, Department of Clinical and Health Psychology, Gainesville, FL (APA Accredited Program in Clinical Psychology)
Major: Clinical Psychology; Area of Concentration: Child/Pediatric Psychology
Dissertation Title: "Traumatic stress symptoms across pediatric chronic illness"
Funded by: National Institute of Child Health and Human Development (NICHD; T32 HD007524); Center for Pediatric Psychology and Family Studies, University of Florida

PROFESSIONAL APPOINTMENTS:

2007-2008 O'Grady Resident, Cincinnati Children's Hospital Medical Center, Division of Behavioral Medicine and Clinical Psychology, O'Grady Residency in Psychology, Cincinnati, OH (APA Accredited Clinical Psychology Internship Program)

2008-2010 Postdoctoral Fellow, Cincinnati Children's Hospital Medical Center, Division of Behavioral Medicine and Clinical Psychology, Center for the Promotion of Treatment Adherence and Self-Management, Cincinnati, OH

2011-Present Assistant Member, St. Jude Children's Research Hospital, Department of Psychology, Memphis, TN

2011-Present Adjunct Graduate Faculty Member, University of Memphis, Department of Psychology, Memphis, TN

CERTIFICATION/LICENSURE:

2011-Present Psychologist, Health Service Provider
(Tennessee license number: 3026)

2011-Present American Heart Association Heartsaver CPR AED

2012-Present Non-Violent Crisis Prevention and Intervention

PROFESSIONAL SOCIETY MEMBERSHIPS:

2002-2008	Student Affiliate, American Psychological Association
2004-Present	Member, Society of Pediatric Psychology (Division 54) - Adherence Special Interest Group (ASIG) and Adolescent and Young Adults with Chronic Health Conditions Special Interest Group (AYASIG)
2006-2007	Department Representative, American Psychological Association of Graduate Students
2012-Present	Member, American Psychological Association

HONORS AND AWARDS:

1999-2002	Dean's List, University of Virginia
2003	Graduated with Distinction, University of Virginia
2004	Research mini-grant awarded from the Center for Pediatric Psychology and Family Studies, Department of Clinical and Health Psychology, University of Florida
2004-2007	NICHD T-32 Predoctoral Fellowship Training Award entitled: "Training in Treatment Outcome Research for Child Populations"
2006	Research mini-grant awarded from the Center for Pediatric Psychology and Family Studies, Department of Clinical and Health Psychology, University of Florida
2009-2010	Co-Chief Fellow, Division of Behavioral Medicine and Clinical Psychology, Cincinnati Children's Hospital Medical Center

Book Chapter

Pai AL, Ingerski LM. Psychosocial adjustment and adherence. In: Warady BA, Schaefer FS, Alexander SR, eds. Pediatric Dialysis. 2nd edition. New York, NY: Springer, 2011.

Abstract

Ingerski LM, Vesco A, Laffel L, Repaske D, Anderson BJ, Hood KK. Contribution of diabetes-specific responsibility and conflict to adherence and A1c in adolescence. Diabetes, 58S1, A75, 2009.

PRESENTATIONS:

Oral Presentations at National Meetings

1. Ingerski LM, Vesco A, Laffel L, Repaske D, Anderson BJ, Hood KK. "Contribution of diabetes-specific responsibility and conflict to adherence and A1c in adolescence." Presented at the meeting of the American Diabetes Association, New Orleans, LA, June 2009.

2. Ingerski LM, Rausch JR, Glauser TA, Modi AC. "Longitudinal measurement of health-related quality of life in pediatric epilepsy." Presented at the National Conference in Pediatric Psychology, San Antonio, TX, April 2011.

Poster Presentations at National Meetings

1. Ingerski LM, Weinfield N. "Effect of parental depression on toddler externalizing behavior." Poster presented at the Eastern Psychological Association Conference, Baltimore, MD, March 2003.

2. Ingerski LM, Marciel K, Bagner D, Eyberg S. "Addressing barriers in PCIT: a case illustration." Poster presented at the Conference on Parent-Child Interaction Therapy, Gainesville, FL, January 2006.

3. Lowry K, Ingerski L, Marciel K, Simons L, Novoa W, Chase R, Sallinen B, Janicke D. "Project STORY: pilot results from a weight management program for rural children and families." Poster presented at the Child Health Conference, Gainesville, FL, April 2006.

4. Simons L, Ingerski LM, Janicke DM. "Psychological functioning of pediatric transplant candidates and their parents." Poster presented at the Child Health Conference, Gainesville, FL, April 2006.

5. Ingerski LM, Janicke DM, Silverstein JH. "Quality of life and social support in overweight youth." Poster presented at the Child Health Conference, Gainesville, FL, April 2006.

6. Sallinen B, Ingerski L, Novoa W, Marciel K, Lowry K, Silverstein J, Janicke D. "Child depressive symptoms mediate the relationship between child and parent psychosocial variables and child-reported quality of life in a sample of overweight children." Poster presented at the Obesity Society Meeting, Boston, MA, October 2006.

7. Ingerski LM, Wilson L, Inge TH, Zeller MH. "Psychosocial influences on weight loss following adolescent bariatric surgery." Poster presented at the Child Health Conference, Miami, FL, April 2008.

8. Crawford MJ, Graziano P, Janicke D, Gray W, Ingerski L, Silverstein J. "Social competence as a protective factor against externalizing symptoms in obese youth." Poster presented at the Midwest Conference on Pediatric Psychology, Kansas City, MO, April 2009.

9. Lim CS, Graziano PA, Gray WN, Ingerski LM, Janicke DM. "Social functioning as a protective factor for internalizing symptoms in overweight children." Poster presented at Midwest Conference on Pediatric Psychology, Kansas City, MO, April 2009.

10. Ingerski LM, Piazza-Waggoner C, Modi AC, Zeller M. "Mealtime family functioning prior to initiating pediatric weight management treatment." Poster presented at the Midwest Conference on Pediatric Psychology, Kansas City, MO, April 2009.

11. Ingerski LM, Wilkins ML, Rach A, Clark K, Dallas R, Zhang H. "Placebo pill trial use in youth with behaviorally-acquired HIV initiating HAART." Poster presented at the Society of Behavioral Medicine Conference, New Orleans, LA, April 2012.

12. Ingerski LM, Klosky, JL, Banks, GG, Hudson, MM. "Transition of survivors of childhood cancer to follow-up care: who attends?" Poster presented at the National Conference in Pediatric Psychology, New Orleans, LA, April 2013.

13. Ingerski LM, Wilkins ML, Rach A, Clark K, Dallas R. "Placebo trials – an indicator of treatment readiness for youth initiating HAART?" Poster presented at the Convention of the American Psychological Association, Honolulu, HI, July 2013.

MANUCRIPTS UNDER REVIEW:

1. Hommel KA, Ingerski LM, Herzer M, Hente E, Denson LA. Maintenance of treatment effects following individually-tailored treatment for medication nonadherence in pediatric inflammatory bowel disease. Submitted to European Journal of Gastroenterology and Hepatology.

RESEARCH POSITIONS:

January 2002- May 2003	*Undergraduate Research Assistant*, The Toddlerhood Project University of Virginia, Charlottesville, VA Description: Study examining parent-child attachment relationships utilizing the Adult Attachment Interview. Principal Investigator: Nancy Weinfield, Ph.D.
August 2003- May 2007	*Graduate Research Assistant*, Barriers to Healthy Lifestyle Behavior and Quality of Life in Overweight Youth University of Florida, Gainesville, FL Description: Quantitative study examining psychosocial factors and quality of life of youth followed in a weight management clinic and their families. Principal Investigator: David Janicke, Ph.D.
July 2004- December 2005	*Graduate Research Assistant and Interventionist*, Pilot Study: Treatment of Obesity in Rural Youth (TORY) University of Florida, Gainesville, FL Description: Randomized controlled study examining the efficacy of a pilot child and family lifestyle group to promote healthy lifestyles and behavior change. Principal Investigator: David Janicke, Ph.D.

Funded by: University of Florida Institute for Child and Adolescent Research and Evaluation

October 2004-September 2006 *Co-Investigator*, Impact of Maternal Gynecologic Cancer on Child Psychological Functioning
University of Florida, Gainesville, FL
Description: Quantitative study examining the psychosocial functioning of mothers diagnosed with gynecologic cancer and their children.
Funded by: The Center for Pediatric Psychology and Family Studies, Department of Clinical and Health Psychology, University of Florida

May 2005-September 2008 *Primary Investigator*, Psychosocial Functioning of Children with Chronic Illness and their Parents
University of Florida, Gainesville, FL
Description: Quantitative study comparing posttraumatic stress symptoms and quality of life between youth pre-transplantation, youth with HIV, and youth with SCD and their families.
Co-Investigator: David Janicke, Ph.D.
Funded by: National Institute of Child Health and Human Development (NICHD; T32 HD007524); Center for Pediatric Psychology and Family Studies, Department of Clinical and Health Psychology, University of Florida

September 2005-May 2007 *Graduate Research Assistant and Interventionist*, Sensible Treatment of Overweight Rural Youth (STORY)
University of Florida, Gainesville, FL
Description: Randomized controlled trial of child and family lifestyle groups to promote healthy lifestyles and behavior change, delivered via extension offices in rural Florida counties.
Principal Investigator: David Janicke, Ph.D.
Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; R34 DK071555)

October 2006-July 2007 *Graduate Research Assistant*, Nutritional Adherence in Children and Adolescents with Cystic Fibrosis
University of Florida, Gainesville, FL
Description: Quantitative study examining the medical and psychosocial factors related to nutritional adherence of youth with cystic fibrosis.
Principal Investigator: Christina Adams, Ph.D.
Funded by: The Center for Pediatric Psychology and Family Studies, Department of Clinical and Health Psychology, University of Florida

July 2007-June 2008 *Resident,* Observing Unique Teens Living with Obesity: Outcomes and Knowledge (OUTLOOK)
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Longitudinal study of medical and psychosocial factors related to youth outcomes following gastric bypass surgery.
Principal Investigator: Meg Zeller, Ph.D.
Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; R03 DK070889)

September 2008-September 2010 *Postdoctoral Fellow and Interventionist*, Promoting Adherence to Crohn's and Colitis Treatment (PACCT)
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Randomized controlled trial of a group, family-based intervention to promote medication adherence of children with Crohn's and Ulcerative Colitis.
Principal Investigator: Kevin Hommel, Ph.D.

Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; K23 DK079037)

September 2008-September 2010 *Postdoctoral Fellow*, Self-Management of Regimens in Pediatric Renal Transplant (ART)
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Qualitative and quantitative study of family's regimen management of youth receiving a renal transplant.
Principal Investigator: Ahna Pai, Ph.D.

September 2008-September 2010 *Postdoctoral Fellow*, Adolescent Diabetes and Depression (ADD) Study
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Multisite longitudinal study of medical and psychosocial factors related to adherence of youth diagnosed with diabetes and their families.
Principal Investigator: Korey Hood, Ph.D.
Funded by: National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK; K23 DK073340)

January 2009-September 2010 *Interventionist*, Organizing Positive Teamwork in Managing Adolescent Leukemia (OPTIMAL)
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Multisite randomized controlled trial of a family-based intervention to promote maintenance medication adherence of youth previously treated for ALL/AML.
Principal Investigator: Dennis Drotar, Ph.D.
Funded by: National Cancer Institute (NCI; RO1 CA110162)

February 2009-September 2010 *Interventionist*, Evaluation of the Outcome of Behavioral Interventions to Promote Adherence to Treatment
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Clinical research study of youth and families followed for intervention services through the Adherence Center Clinical Service.
Principal Investigator: Sandra Cortina, Ph.D.

June 2009-September 2010 *Co-Investigator and Interventionist*, Individualized Management of Adherence in Crohn's and Colitis (IMACC)
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Description: Randomized controlled trial of an in-person or internet-delivered, individualized, family-based intervention to promote adherence of children with Crohn's disease and Ulcerative Colitis.
Principal Investigator: Kevin Hommel, Ph.D.
Funded by: Digestive Health Center, Cincinnati Children's Hospital Medical Center (DHC; P30 DK078390)

July 2011-Present *Principal Investigator*, Retrospective Examination of Placebo Pillbox Use by Adolescents and Young Adults with HIV (XPD11-080)
St. Jude Children's Research Hospital, Memphis, TN
Description: Retrospective examination of adherence rates and medical outcomes of youth with HIV receiving a placebo pill box intervention compared to youth not receiving the intervention.

November 2012-Present *Principal Investigator*, Retrospective Examination of Factors related to Successful Transition to the After Completion of Therapy (ACT) Clinic (XMP12-136)
St. Jude Children's Research Hospital, Memphis, TN
Description: Retrospective examination of demographic, medical, and logistic

factors related to attendance at the initial ACT visit following completion of active treatment.

February 2013-Present — *Co-Investigator*, Incentives and Technology Survey 2013: Evaluation of Acceptance of Incentive-Based Adherence Programs and Electronic Medication Monitoring among HIV-Positive Adolescents (INTECH)
St. Jude Children's Research Hospital, Memphis, TN
Description: Prospective survey of acceptance and barriers to the use of incentive-based adherence programs and electronic medication monitoring by youth diagnosed with HIV and currently prescribed HAART.

June 2013-Present — *Principal Investigator*, Predictors of Attendance in a Pediatric Sickle Cell Clinic: A Retrospective Study (XPD13-083)
St. Jude Children's Research Hospital, Memphis, TN
Description: Retrospective examination of demographic, medical, and logistic factors related to attendance at the standard care clinic visits of youth prescribed Hydroxyurea.

PROFESSIONAL SERVICE:

2009, 2012 — *Ad-Hoc Reviewer*, Society of Pediatric Psychology (Division 54), Convention of the American Psychological Association (APA)

2009-Present — *Ad-Hoc Reviewer*, Journal of Pediatric Psychology, Pediatrics, Preventing Chronic Disease, Quality of Life Research, Journal of Pediatric Surgery

CLINICAL EXPERIENCE:

August 2002-May 2003 — *Undergraduate Intern*, Community Attention
Department of Social Services, Charlottesville VA
Service: Provide supervision and support to at-risk youth, ages 10 to 18, referred by the Department of Social Services or the Department of Juvenile Justice to promote rehabilitation. Assist in program planning and preparation.
Supervisor: Heather Kellams

August 2004
July 2005
July 2006 — *Camp Counselor*, University of Florida Craniofacial Camp
University of Florida, Keystone Heights, FL
Service: Provide support and supervision for children, ages 7-15, with craniofacial anomalies and their families, assist in program planning and implementation.
Supervisor: Stephen Boggs, Ph.D.

January 2005-June 2007 — *Graduate Student Clinician*, Division of Clinical and Health Psychology
Shands Hospital, University of Florida, Gainesville, FL
Service: Outpatient and inpatient assessment and psychotherapy for children and adults. Individual and family psychotherapy provided in the outpatient Psychology and Psychiatry Clinics at UF Shands Hospital. Other services included: (1) consultative assessment of children in the Pediatric Gastroenterology and Craniofacial Clinics; (2) co-therapist for Pediatric Healthy Lifestyles Program; (3) outpatient assessment and psychotherapy in a rural primary care clinic; (4) pediatric and adult consultation-liaison, including assessment of organ transplantation candidacy and participation in multidisciplinary pediatric palliative care team; (5) comprehensive developmental and pediatric neuropsychological evaluations; and (6) standardized assessment of adults with mood disorders.
Supervisors: Stephen Boggs, Ph.D., Kristen Dean, Ph.D., Eileen Fennel, Ph.D.,

Gary Geffken, Ph.D., Shelley Heaton, Ph.D., David Janicke, Ph.D., James Johnson, Ph.D., Marie-Claude Laplante, Ph.D., Heidi Liss, Ph.D., Deidre Pereira, Ph.D., Samuel Sears, Ph.D., Kimberly Shaw, Ph.D., & Cyd Strauss, Ph.D.

July 2007-
June 2008

Resident, Division of Behavioral Medicine and Clinical Psychology
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Service: Outpatient and inpatient assessment and psychotherapy for children and families for a variety of presenting problems. Outpatient psychotherapy services provided within the Psychology Clinic. Other services included: (1) comprehensive developmental evaluations in the Division of Developmental and Behavioral Pediatrics; (2) outpatient assessment and/or psychotherapy of patients followed by the multidisciplinary Pediatric Chronic Pain, Sleep, Gastroenterology, Craniofacial, and Epidermolysis Bullosa Clinics; (3) inpatient consultation and liaison services, (4) outpatient assessment and evaluation of youth in the Center for ADHD.
Supervisors: Kelly Byars, Ph.D., Lori Crosby, Ph.D., Michelle Ernst, Ph.D., Richard Loren Ph.D., Anne Lynch, Ph.D., Carrie Piazza-Waggoner, Ph.D. Janet Schultz, Ph.D., & David Smith, Ph.D.

September 2008-
September 2010

Postdoctoral Fellow, Division of Behavioral Medicine and Clinical Psychology
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Service: Outpatient assessment and psychotherapy for children, adolescents, and families referred for a variety of presenting problems. Psychotherapy services provided within the Psychology Clinic and Adherence Center Clinical Service. Consultation services provided as part of multidisciplinary teams in the New Onset Seizure Disorder (Division of Neurology) and Nephrology (Division of Nephrology) outpatient medical clinics.
Supervisors: Sandra Cortina, Ph.D., Avani Modi, Ph.D., & Ahna Pai, Ph.D.

August 2011-
Present

Licensed Clinical Psychologist, Department of Psychology
St. Jude Children's Resarch Hospital, Memphis, TN
Service: Outpatient and inpatient consultation and intervention services for children, adolescents, and families referred by St. Jude providers across oncology teams. Patients referred for a variety of presenting problems.

TEACHING/SUPERVISION EXPERIENCE:

January 2006-
May 2006

Graduate Teaching Assistant, Child Psychological Assessment
Department of Clinical and Health Psychology
University of Florida, Gainesville, FL
Supervisor: Gary Geffken, Ph.D.

August 2006-
December 2006

Graduate Teaching Assistant, Psychological Disturbances of Children
Department of Clinical and Health Psychology
University of Florida, Gainesville, FL
Supervisor: James Johnson, Ph.D.

August 2006-
May 2007

Mentor, Undergraduate Senior Thesis
Department of Clinical and Health Psychology
University of Florida, Gainesville, FL
Supervisor: David Janicke, Ph.D.

October 2008-
July 2009

Co-Supervisor
New Onset Seizure Disorder Clinic, Division of Neurology,
Cincinnati Children's Hospital Medical Center, Cincinnati, OH
Supervisor: Avani Modi, Ph.D.

Service: Supervise assessment and psychotherapy of psychology residents.

September 2011- Present *Supervising Psychologist*
Psychology Clinic, Department of Psychology
St. Jude Children's Resarch Hospital, Memphis, TN
Service: Supervise assessment, consultation, and psychotherapy of postdoctoral fellows, psychology interns, and psychological examiners.

MENTORING EXPERIENCE:

Postdoctoral Fellows

August 2011- August 2012	Heather Gamble, Ph.D. (Psychology, SJCRH)
December 2012-Present	Mary Westfall, M.D. (Infectious Diseases, SJCRH)

Graduate Students

August 2011-July 2012	Amanda Rach, B.A. (Psychology, University of Memphis)
September 2012-August 2013	Gabrielle Banks, B.S. (Psychology, University of Memphis)
August-2013-Present	Tricia Arnold, B.A. (Psychology, University of Memphis)

TEACHING PRESENTATIONS:

1. Janicke D, Marciel K, Ingerski L. "The Business of Pediatric Psychology." Presented at the Clinical Child/Pediatric Psychology Meeting, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL, March 2004.

2. Ingerski L, Janicke D, Storch E. "Impact of Pediatric Obesity on Quality of Life." Presented at the annual Fall Symposium, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL, October 2004.

3. Boggs S, Nelson M, Marciel K, O'Brien K, Preston A, Ingerski L. "Ethics in Treatment Outcome Research." Presented at the Department Case Conference, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL, May 2005.

4. Ingerski L. "Pediatric Palliative Care." Presented at the Clinical Child/Pediatric Psychology Meeting, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL, November 2005.

5. Ingerski L. "Pediatric Transplant: Family Psychosocial Functioning." Presented at the Clinical Child/Pediatric Psychology Meeting, Department of Clinical and Health Psychology, University of Florida, Gainesville, FL, July 2006.

6. Ingerski L. "Vaginal Agenesis: Psychosocial Implications and Pre-Surgical Assessment." Presented at the Adherence Center Clinical Service Seminar Series, Center for the Promotion of Adherence and Self Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH, March 2009.

7. Ingerski L. "Responsibility and Conflict in Adolescents with Type 1 Diabetes." Presented at the Adherence Center Seminar Series, Center for the Promotion of Adherence and Self Management, Cincinnati Children's Hospital Medical Center, Cincinnati, OH, May 2009.
