

Prevent Opioid Deaths

PREVENT

- Keep medicine out of children's sight and reach
- Dispose of unused medicine
- Do not combine opioids with similar medicine or alcohol
- Do not take medicine prescribed to others

RESPOND

- Signs of Opioid Overdose: Slow or no breaths, noisy breathing, very small pupils
- Take Action
- Call 911 if someone cannot be awakened
- Use Naloxone (if available)

RECOVER

- Seek professional treatment
- Get support from family, friends and doctors
- Keep naloxone handy
- Avoid medicines that contain opioids or similar medicine

- Questions? Contact Poison Control
- Call 1-800-222-1222
- Text POISON to 797979 to have Poison Control added as a contact in your mobile phone
