

# CALL FOR ABSTRACTS

The Center for Simulation & Research invites you to participate in the *Cincinnati Children's 2014 Regional Simulation Conference: Creating New Directions in Simulation*, to be held September 22-23, 2014 at the Xavier University, Cintas Center Schiff Conference & Banquet Center in Cincinnati, OH. This announcement is the call for abstracts for Workshop & Lecture, Research Presentations, and Poster Presentations in all areas of Simulation Education & Research. Submissions need not be limited to pediatrics.

Abstract submissions are welcome and will be selected for the 2014 program via a peer-review process.

## Workshop & Lecture Abstracts

The Center for Simulation & Research invites you to submit Lecture and Workshop abstracts for 90 minute presentations in the following categories:

- Education and instructional design
- Innovation in simulation
- Impact to the clinical environment
- Operations and planning

### Submission requirements:

- Limit of 3 presenters per abstract
- Completed electronic bio-disclosure per presenter
- Title
- Abstract summary of workshop
- Background
- Provide 1 main objective and 3-4 supporting content objectives
- Describe methods to achieve interactivity of workshop

## Research Presentation Abstracts

Simulation research podium presentations will be accepted for works in progress. Investigators will have ten minutes to present their work, followed by five minutes of audience questions.

### Submission requirements:

- Limit of 1 presenter per abstract
- Completed electronic bio-disclosure
- Title
- Provide 1 main objective and 3-4 supporting content objectives
- Background, Research Design/ Methods, Results, Conclusions

## Poster Abstracts

The Center for Simulation & Research invites you to submit simulation research poster displays. Previously presented work will be considered. Display boards (4' x 8') will be provided during the conference. Posters will be displayed both days of the conference.

### Submission requirements:

- Title
- Background, Research Design/ Methods, Results, Conclusions

All submissions must be received by April 18, 2014, 11:59 pm EST. Authors will be notified of acceptance by the end of May. Primary Presenters with accepted abstracts will receive a \$50 discount on conference registration.

To submit an abstract, visit [www.cincinnatichildrens.org/simulation](http://www.cincinnatichildrens.org/simulation).

If you have questions about the abstract system, please call the CME Office at 513.636-6732 or [cme@cchmc.org](mailto:cme@cchmc.org).

Please forward this announcement to colleagues who may be interested in attending this meeting.

Thanks!
