CONTINUOUS RENAL REPLACEMENT THERAPY (CRRT) UNIVERSITY 2014-2015

CRRT UNIVERSITY is designed for health care providers caring for infants, children and/or adults receiving Continuous Renal Replacement Therapy (CRRT). This one and one-half day course combines interactive didactic small course instruction (6 hours) with a full day simulation course. Medical professionals (RN and MD) are provided with an integrated platform to acquire new skills and abilities that will:

- Improve aptitude in caring for CRRT patients
- Increase working knowledge of the CRRT machine and ability to troubleshoot alarms
- Enhance abilities to navigate and adapt to complex situations involving CRRT
- Develop strategies for addressing challenging communication issues and program structure

External Simulation Program \$250/nurse and \$300/physician

We can accommodate up to 12 participants per session.

Session Dates:

July 16-17, 2014

October 1-2, 2014

January 8-9, 2015

March 25-26, 2015

July 17-18, 2014

October 2-3, 2014

January 9-10, 2015

March 26-27, 2015
