

## Abstracts

- 1) Pericardium: Risk Factor For Post-Pericardiotomy Syndrome? Lam, CT; Cha, JY; Altaye, M; Eghtesady, P; Manning, P. (Oral presentation) American Federation of Medical Research Clinical Research 2005 Conference, Washington D.C. April 29th-30th, 2005.
- 2) Lam C, Baker RS, Lubbers WC, Spezzano LC, Teuschler C, McNamara JM, Ferguson RE, Gardner A, Lombardi JP, Clark KE, Eghtesady P. Role of Nitric Oxide in Placental Dysfunction Following Fetal Cardiopulmonary Bypass. (Oral presentation). ODICH conference, Cleveland, OH. May 26-28, 2006.
- 3) Influence Of Gender In Norwood Palliation Of Hypoplastic Left Heart Syndrome. Lam, CT; Border, WL; Heydarian, H; J. A. Deddens, JA; Manning, PB; Eghtesady, P. 30th Annual Meeting of the Midwest Pediatric Cardiology Society, in Columbus, OH. September 7th-8th, 2006.
- 4) Lam C, Baker RS, Lubbers WC, Spezzano LC, Teuschler C, McNamara JM, Ferguson RE, Gardner A, Lombardi JP, Clark KE, Eghtesady P. Role of Nitric Oxide in Placental Dysfunction Following Fetal Bypass. (Oral presentation). American Heart Association, Chicago, IL. Nov 12-15, 2006.
- 5) Lam C, Baker RS, Lubbers WC, Spezzano LC, Teuschler C, McNamara JM, Ferguson RE, Gardner A, Lombardi JP, Clark KE, Eghtesady P. Role of Nitric Oxide and cGMP In Placental Dysfunction Following Fetal Bypass. (Oral presentation) Society for Thoracic Surgeons, San Diego, CA. Jan 29-31, 2007.
- 6) Baker RS, Lam C, Spezzano LC, Lubbers WC, Teuschler C, McNamara JM, Ferguson RE, Gardner A, Lombardi JP, Clark KE, Eghtesady P. Role of Nitric Oxide in Endothelial Dysfunction Following Fetal Cardiopulmonary Bypass. Society for Thoracic Surgeons, San Diego, CA. Jan 29-31, 2007.
- 7) Lubbers WC, Burman D, Baker RS, Eghtesady P. Prognostic Value of Amniotic Fluid Brain Natriuretic Peptide (BNP) in Fetal Aortic Stenosis. (Oral presentation). Society for Maternal-Fetal Medicine, San Francisco, CA. Feb 2-4, 2007.
- 8) Sharma S, Baker RS, Lam C, Spezzano LC, Teuschler C, McNamara JM, Ferguson RE, Gardner A, Lombardi JP, Clark KE, Eghtesady P. Fetal Stress Response to Cardiac Surgery and Fetal Cardiopulmonary Bypass. Society for Maternal-Fetal Medicine, San Francisco, CA. Feb 2-4, 2007.
- 9) Baker RS, Lam C, Lubbers WC, Clark KE, Eghtesady P. Dobutamine is the Optimal Inotrope for the Fetus. Society Maternal-Fetal Medicine, San Francisco, CA. Feb 2-4, 2007.
- 10) Right Heart Valve Abnormalities Negatively Impact Survival In Hypoplastic Left Heart Syndrome. Heydarian, HC; Border, WL; Lam, CT; Deddens, JA; Manning PB; Eghtesady, P. American College of Cardiology's 56th Scientific Sessions, in New Orleans, LA. March 24th-27th, 2007

- 11) Eghtesady P, Baker RS, Lam C, Heeb E, Lubbers W, McNamara J, Ferguson R, Gardner A, Lombardi J. A Simple Solution is “Prime” for Fetal Cardiopulmonary Bypass. (Oral presentation). Third International Conference on Pediatric Mechanical Circulatory Support Systems and Pediatric Cardiopulmonary Perfusion. Hershey, PA. May 17-19, 2007.
