

2007 Seminar Schedule

Names in **bold** are external speakers

Names in *italics* are recipients of Pilot and Feasibility Awards

Conference Date	Presenter	Title/Topic
January 4, 2007	Anne Griffiths, MD, FRCP(C) The Hospital for Sick Children	" Ulcerative Colitis- the Other IBD "
January 10, 2007 *distinct time & location 12:00 pm R-3381	Hudson Freeze, PhD Burnham Institute for Medical Research	" Understanding Human Glycosylation Disorders "
January 11, 2007	Brad Pasternak, MD Bella Zeisler, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Modulation of Intestinal Inflammation and Function by Probiotics
January 18, 2007	Thorsten Eismann, MD, PhD Department of Surgery Alex Lentsch, PhD Laboratory University of Cincinnati	"Mitochondrial Proteomics and the Role of Prxd VI in Liver Ischemia-Reperfusion Injury"
January 25, 2007	Thaddeus S. Stappenbeck, MD, PhD Washington University at St. Louis	" Microbially-Driven Stem Cell Niche Modification Promotes Wound Repair "
January 25, 2007 *distinct time & location 10:30 am R-3381	Michell Southard-Smith, PhD Vanderbilt University	" Genetic and Embryonic Approaches for Identification of Genes that Participate in Autonomic Innervation "
February 1, 2007	Michael A. Kennedy, PhD Miami University @ Oxford	" Nuclear Magnetic Resonance Spectroscopy: An Evolving Tool for Human Health Research "
February 8, 2007	Veena Venkat, MD Jill Dorsey, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: IBD Therapeutics: Considering the Evidence in Clinical Papers
February 15, 2007	Paula Hertel, MD Texas Children's Hospital	" Rotavirus-Associated Biliary Atresia in Mice: Pathogenesis and Prevention "
February 22, 2007	Jeffery Rudolph, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Intestinal Failure Clinical Registry
March 1, 2007	James Heubi, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	"Understanding Factors Impacting Human Cholesterol Absorption"
March 8, 2007	Charles (Chip) Samson, MD Veena Venkat, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Immune Reactivity in Celiac Disease
March 15, 2007	Maria Vicario-Pere, PhD Visiting Scientist in Rothenberg Laboratory	" Segmental Studies in the Jejunum of Healthy and IBS Patients: Unravelling Stress-Related Intestinal Inflammation "
March 22, 2007	Elyanne M. Ratcliffe, MD, FRCPC Columbia University	" How the Gut Has Nerve "

2007 Seminar Schedule

Names in **bold** are external speakers

Names in *italics* are recipients of Pilot and Feasibility Awards

Conference Date	Presenter	Title/Topic
March 29, 2007	Rebecca Carey, MD Gastroenterology, Hepatology & Nutrition Lee (Ted) Denson, MD Laboratory Cinti Children's Hospital Medical Center	"Regulation of Effector T Cells in Inflammatory Bowel Disease by STAT Proteins"
April 5, 2007	Randall Sakai, PhD Department of Psychiatry University of Cincinnati	"Stress and Its Metabolic Influences"
April 12, 2007	Monica Garin-Laflam, MD Veena Venkat, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Activation of Intestinal Immune Response
April 16, 2007 *distinct time & location 4:00 pm R-3381	Javier Santos, MD Hospital Valle De Hebron Barcelona, Spain	"Mast Cells, Mucosal Inflammation and the Pathogenesis of the Irritable Bowel Syndrome"
April 18, 2007 *distinct time & location 12:00 pm R-3381	Susan Henning, PhD Baylor College of Medicine	"Intestinal Stem Cells: Progress and Challenges in Their Isolation and Characterization"
April 19, 2007	Lynelle Boamah, MD Gastroenterology, Hepatology & Nutrition Sue Moyer, MD Laboratory Cinti Children's Hospital Medical Center	"An Education Program for Adolescents with Inflammatory Bowel Disease"
April 25, 2007 *distinct time & location 7:30 am C-4114	Jane Balint, MD Columbus, Ohio Children's Hospital	"Management Strategies in Intestinal Failure"
May 2, 2007 *distinct time & location 7:30 am C-4114	Patricia R. Robuck, PhD, MPH Director, Clinical Trials Program NIDDK	"Clinical GI Research at the NIH: The Nuts, Bolts, and Pearls"
April 26, 2007	Monica Garin-Laflam, MD Gastroenterology, Hepatology & Nutrition Mitchell Cohen, MD Laboratory Cinti Children's Hospital Medical Center	"Promoters of Intestinal Epithelial Cell Survival: Uroguanylin and Guanylyl Cyclase C"
May 3, 2007	Thomas Inge, MD, PhD, FACS, FAAP Pediatric and Thoracic Surgery Cinti Children's Hospital Medical Center	"Extreme Obesity and Surgical Management"
May 8, 2007 *distinct time & location 4:00 pm 4051 MSB	James Goldenring, MD, PhD Vanderbilt University	"The Origin of Gastric Pre-Neoplasia: A Role for Transdifferentiation"
May 31, 2007	Jill Dorsey, MD Gastroenterology, Hepatology & Nutrition James Heubi, MD Laboratory Cinti Children's Hospital Medical Center	"Fecal Behenic Acid: A New Marker for Fat Malabsorption"

2007 Seminar Schedule

Names in **bold** are external speakers

Names in *italics* are recipients of Pilot and Feasibility Awards

Conference Date	Presenter	Title/Topic
June 7, 2007	Scott Pentiuik, MD Melanie Rhue, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: You are What's Your Microbiome
June 14, 2007	Brad Pasternak, MD Gastroenterology, Hepatology & Nutrition Lee (Ted) Denson, MD & Christopher Karp, MD Laboratories Cinti Children's Hospital Medical Center	"For Whom the Gut Tolls: The Role of TLR4 in Inflammatory Bowel Disease"
June 21, 2007	Alexander Miethke, MD Gastroenterology, Hepatology & Nutrition Jorge Bezerra, MD Laboratory Cinti Children's Hospital Medical Center	"Development of T-Regs and Biliary Atresia: Does Time Matter?"
June 28, 2007	Maya D. Srivastava, MD, PhD Center for Digestive, Allergic and Immunologic Diseases Williamsville, NY	"Reflux and Asthma"
June 29, 2007 *distinct time & location 11:00 am R-3490	Zeynep Tümer, MD, PhD Vice Director Wilhelm Johannsen Center for Functional Genome Research Copenhagen, Denmark	"Disruption of Genes and Genomic Architecture: A Chromosomal Point of View" Reflux and Asthma"
July 30, 2007 *distinct time & location 6:00 pm Cohen's house	Brad Pasternak, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Genome Wide Association Study Identifies IL23R as IBD gene (with Dr. Judy Cho)
July 31, 2007	Judy Cho, MD Yale Univeristy	"Genome-Wide Association Studies in Crohn's Disease: New Insight into Disease Pathogenesis"
August 7, 2007	Jorge Bezerra, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	"Biliary Atresia: Neonatal Immunity Going Awry"
August 14, 2007	Aaron Zorn, PhD Developmental Biology Cinti Children's Hospital Medical Center	"Embryonic Development of the Digestive System; Lessons from the Frog"
August 21, 2007	<i>Mike Leonis, MD, PhD</i> Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	<i>"Ron Receptor Over Expression and Hepatic Tumorigenesis"</i>
August 28, 2007	Scott Pentiuik, MD Chip Samson, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: IL-23 and Colitis

2007 Seminar Schedule

Names in **bold** are external speakers

Names in *italics* are recipients of Pilot and Feasibility Awards

Conference Date	Presenter	Title/Topic
September 4, 2007	Derek McKay, PhD University of Calgary	"Control of Intestinal Permeability, Function and Inflammation by Bacteria Helminths"
September 11, 2007	David D'Alessio, MD Department of Internal Medicine University of Cincinnati	"Neuroendocrine Mediation of the Incretin Effect: GLP-1 as a Link Between the CNS and Peripheral Metabolism"
September 18, 2007	Satdarshan P. Singh Monga, MD University of Pittsburgh	"Wnt/Beta-catenin Signaling in Liver: Novel Roles, Novel Opportunities"
September 25, 2007	Jill Dorsey, MD Melanie Rhue, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Hepatic Steatosis
October 2, 2007	John M. Carethers, MD Chief, Division of Gastroenterology VA San Diego Healthcare System	"TGFbeta Dysregulation in Colon Cancer and Hamartomatous Syndrome"
October 4, 2007 *distinct time & location 6:00 pm Cohen's house	Bella Zeisler, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Probiotics and Intestinal Abnormalities
October 5, 2007 *distinct time & location 5:00 pm MSB 3351	Philip M. Sherman, MD, FRCPC Hospital for Sick Children	"Intestinal Microbes in Health & Disease—What a Great Subject on Which to Base a Rewarding Career in Academic Medicine"
October 9, 2007	Kathleen Campbell, MD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	"Post-Transplant Renal Dysfunction - Clinical & Pharmacogenetic Risk Factors"
October 16, 2007	Carine Blanchard, PhD Allergy and Immunology Marc Rothenberg, MD, PhD Laboratory Cinti Children's Hospital Medical Center	"Molecular Pathogenesis of Eosinophilic Esophagitis"
October 23, 2007	Subra Kugathasan, MD Medical College of Wisconsin	"Genomic Advances and Its Clinical Application in Pediatric IBD"
November 6, 2007	Terrence Barrett, MD Northwestern University	"Regulation of Intestinal Stem Cells in Colitis-Induced Cancer"
November 13, 2007	Christopher Karp, MD Molecular Immunology Cinti Children's Hospital Medical Center	"Innate Immune Activation and Counter-Regulation"
November 15, 2007 *distinct time & location 7:30 am C-4114	Carmen Cuffari, MD Johns Hopkins Hospital	"The Application of Serological and 6MP Testing in the Diagnosis and Management of Pediatric Patients with IBD: An evidence Based Review."
November 27, 2007	Pranav Shivakumar, PhD Gastroenterology, Hepatology & Nutrition Cinti Children's Hospital Medical Center	Journal Club: Journal Club: Natural Killer T Cells in Hepatitis

2007 Seminar Schedule

Names in **bold** are external speakers

Names in *italics* are recipients of Pilot and Feasibility Awards

Conference Date	Presenter	Title/Topic
December 4, 2007	Ariel E. Feldstein, MD Cleveland Clinic Foundation	"Hepatic Lipid Partitioning and Liver Injury"
December 18, 2007	Avedis Kazanjian, PhD Gastroenterology, Hepatology & Nutrition Noah Shroyer, PhD Laboratory Cinti Children's Hospital Medical Center	"Atonal Homolog 1 is a Tumor Suppressor in Colorectal Cancers"
December 19, 2007 *distinct time & location 7:30 am R-2024	Irwin M. Arias, MD Chief of Section on Cellular Polarity, Cell Biology, & Metabolism Branch National Institute of Child Health & Human Development Assistant Director Intramural Program at NIH	"Cholestatic Adventures in Liverland"
