## Diabetes Management Program for School Nurses

**Thursday, July 10, 2008**

**9:30 a.m.—3:45 p.m.**  
**(8:00—9:45 a.m. Optional Workshop)**

Cincinnati Children's Hospital  
Diabetes Center

## PROGRAM DESCRIPTION

This program is designed to educate the school nurse about the care of a child with diabetes in the school setting.

This year's theme is based on the movie and Broadway musical "Mary Poppins".

## AUDIENCE

Must be RN or LPN to attend

## OBJECTIVES

1. Discuss the basics of diabetes care management by the nurse in the school setting.
2. Identify adult learning principles and educational resources for training non-licensed school personnel.
3. Discuss the implementation of medical orders for diabetes care at school and the utilization of supportive resources.
4. Discuss the application of treatment algorithms for diabetes management of illness and/or positive ketones at school.
5. Discuss diabetes management skills needed in the school setting for the student on insulin pump therapy.
6. Discuss psychosocial issues that impact diabetes care at school.

## COST

\$15 8:15-9:45 *Diabetes Care Basics (Optional Workshop)* (1.5 contact hours)

\$45 9:30-3:45 (does not include *Diabetes Care Basics Workshop*) (4.25 contact hours)

\$60 Entire day: 8:00-3:45 (5.75 contact hours)

Cost of conference includes continental breakfast, lunch and workshop materials.

**Checks only** will be accepted for payment.
