

Call for Abstracts – General Information

Abstract receipt deadline for electronic submission: March 16th, 2007.

Abstract Submission Process

The organization committee of the V Midwest Blood Group Meeting will review all submitted abstracts and select abstracts for either the oral or poster sessions. Abstracts are limited to one page and will be printed as submitted.

Abstracts should be sent by e-mail to Keisha.Steward@cchmc.org by the above referenced date.

Please indicate the following in the subject line:

“Abstract for the V Midwest Blood Group Meeting – Cincinnati”.

Oral Presentation Sessions

A group of abstracts will be selected for Oral Presentation Sessions. These presentations are formal 10-minute LCD/PowerPoint presentations, followed by a 5-minute brief discussion.

Poster Sessions

There will be one Poster Session. Authors are requested to post and remove posters at designated times. Poster board size is 4 ft (height) x 8 ft (width).

Notification

Notification regarding acceptance of abstracts will be made at the end of March.

Registration

Registration forms are already available online. The deadline for registration will be April 6, 2007 and the attendance fee is \$70.00.

Please log onto our website for further registration and lodging information at: <http://www.cincinnatichildrens.org/research/div/exp-hematology/new/bloodclub/>

New Session

This year the meeting will incorporate a session on Cell Therapies where scientists, physicians and technologists can present their research in the area of cell manipulation including clinical cell/gene therapy and immunotherapy. Please, indicate whether you are interested in participating in this session.
