Cincinnati, OH 45229-3026

Many grateful families, friends and former patients have provided for Cincinnati Children's Hospital Medical Center as part of their estate. Bequests enable the medical center to provide the best possible care for the children we serve, expand clinical and research programs and endow key faculty positions.

Suggested Bequest Language for Planned Gifts

"I give, devise and bequeath \$_____ or _____% of my estate to the Cincinnati Children's Hospital Medical Center, an Ohio nonprofit corporation, to be used at the discretion of the Cincinnati Children's Hospital Medical Center Board of Trustees."

Should you wish to designate your gift for a specific purpose, we strongly recommend that you contact us to make sure that we are able to honor your intentions. Restricted gifts should include the following language:

"If at some future date, circumstances at Cincinnati Children's Hospital Medical Center should change so that the uses and purposes for which these funds have been designated are no longer possible or permissible or are in conflict with the policies of the Board of Trustees, then the Board of Trustees may, at its sole discretion, determine the permissible use most closely related to that identified by the testator and consistent with the testator's general interests and charitable intent in supporting the Cincinnati Children's Hospital Medical Center."
