

Policy

Cincinnati Children's Medical Center Policy	<i>Policy Number</i>	MCP-B-103
Patient Financial Assistance Policy	<i>Effective Date</i>	4/1/2025
	<i>Page</i>	1 of 4

1.0 POLICY

- 1.1 Cincinnati Children's will provide care for emergency medical conditions to any patient without discrimination and regardless of financial assistance eligibility or ability to pay. Cincinnati Children's further prohibits any actions that would discourage individuals from seeking emergency medical care, such as demand for payment before receiving treatment for emergency medical conditions or debt collection activities that interfere with the provision, without discrimination, of emergency care.
- 1.2 Cincinnati Children's will provide financial assistance for medically necessary services to any patient who resides in the United States and will work with eligible patients and families to secure government health care program assistance.
 - 1.2.1 For those patients with a family income at or below 200% of the Federal Poverty Level (FPL), as demonstrated by completion of a Financial Assistance Application, services will be written off at 100% of the patient responsibility.
 - 1.2.2 For those patients with a family income between 200 and 300% of the Federal Poverty Level (FPL), as demonstrated by completion of a Financial Assistance Application, services will be written off at 75% of the patient responsibility.
- 1.3 In order for a patient to receive financial assistance under this policy, the patient must be either uninsured or insured by a health plan in which Cincinnati Children's is a participating provider. Financial assistance is available only after all available public medical assistance and insurances (including workers compensation, automobile insurance, and liability claims payments) have been exhausted.
- 1.4 Cincinnati Children's will not take any extraordinary collection efforts on any amounts due by individuals (patients and individual guarantors) for medically necessary services.
- 1.5 Professional services provided by any of the entities/providers listed online at <https://www.cincinnatichildrens.org/patient-resources/billing/financial-assistance> are not CINCINNATI CHILDREN'S services and are NOT covered under this Policy.
- 1.6 Presumptive Eligibility: Cincinnati Children's Hospital may use a third party to conduct a review of patient information to assess eligibility for Financial Assistance. This review and analysis utilizes an outside agency and/or predictive modeling in determining estimated income amounts for the basis of determining Financial Assistance eligibility and potential discount amounts. Those who are ineligible for financial assistance through the presumptive eligibility process may apply through the standard application process, as detailed in Section 1.2.
- 1.7 Cincinnati Children's Hospital does not discriminate on the provision of services to an individual (i) because the individual is unable to pay or (ii) because payment for those services would be made under Medicare, Medicaid, or the Children's Health Insurance Program (CHIP)."

2.0 DEFINITIONS

- 2.1 **Amounts Generally Billed (AGB)** means the amounts generally billed for emergency or other medically necessary care to individuals who have insurance covering such care. To determine AGB, Cincinnati Children's sums all claims for emergency and other medically necessary care allowed by insurers or government payers over a twelve-month period (i.e., April 1 of Year 1 to

Policy

Patient Financial Assistance Policy	<i>Effective Date</i>	4/1/2025
	<i>Page</i>	2 of 4

March 31 of Year 2), then divides that by the sum of the gross charges related to those claims for that same period. The result is the **AGB Percentage**, and it will be applied to all services provided over the next twelve-month period (i.e., from July 1 of Year 2 to June 30 of Year 3).

- 2.2 **Charges Billed** means those charges for which a patient/family is responsible. For uninsured patients, that is the price associated with services provided by Cincinnati Children's. For patients with commercial insurance, it is amounts not covered by the insurer, excluding fixed amount co-payments -- unless the patient qualifies under section 1.2.1 above, then the fixed amount co-payments are covered by the Patient Financial Assistance Policy. For patients covered by a state or federal program (for example, Medicare or Medicaid), Charges Billed does not include those charges associated with co-insurance (inclusive of deductible, co-insurance, and/or co-payment) amounts.
- 2.3 An **emergency medical condition** is one that manifests itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in placing the health of the individual (if pregnant, the mother or unborn child) in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part; or, with respect to a pregnant woman having contractions, that there is inadequate time to effect a safe transfer to another hospital before delivery or that transfer may pose a threat to the health or safety of the woman or unborn child.
- 2.4 **Extraordinary collection efforts** is any of the following: (1) sale of the individual's debt; (2) report of adverse credit information about the individual or responsible guarantor; (3) the deferral or denial of, or requirement of payment before, subsequent medically necessary care based on non-payment by a family eligible for financial assistance; or (4) any action that requires legal or judicial process, such as placement of a lien, foreclosure, attachment, seizure, arrest, lawsuit, claim, writ, or garnishment.
- 2.5 **Financial Assistance Application or Application (FAA)** – the document used by Cincinnati Children's financial counselors to determine a patient's/family's eligibility for a federal or state health care program or for **Cincinnati Children's** Financial Assistance Program.
- 2.6 **Gross income** - total family gross income from all sources as defined under the IRS Code.
- 2.7 **Medically necessary services** – Inpatient, outpatient, home health, and emergency services, as well as professional services by Cincinnati Children's -employed providers, covered by the Ohio Department of Medicaid.

3.0 IMPLEMENTATION

- 3.1 Any patient who is eligible for financial assistance under this Policy will be charged only the amount that he or she is personally responsible for paying, after all deductions and discounts (including discounts available under the FAP) have been applied and less any amounts reimbursed by insurers (including both commercial and governmental payors). Under no circumstances will the amount owed by a patient/family residing in the PSA or State of Ohio, who is eligible for financial assistance under this Policy, exceed AGB. Effective October 1, 2021, under no circumstances will the amount owed by a patient/family residing in the United States, who is eligible for financial assistance under this Policy, exceed AGB. For the period

beginning July 1, 2021, the AGB Percentage is 55%.

- 3.2 Patients/families who seek financial assistance under this Policy must complete a Financial Assistance Application and provide proof of income, residency, and family size through documentation listed on the Application.
 - 3.2.1 Cincinnati Children's will provide a patient/family with a free Application upon request or identification of uninsured status. A free copy of the Application, in English or other languages, may be requested by calling a financial counselor at 513-636-4427, e-mailing PFC@CincinnatiChildrens.org, or writing to Cincinnati Children's Patient Financial Services, 3333 Burnet Avenue, MLC 5011, Cincinnati, Ohio 45229. Applications are also available online at <https://www.cincinnatichildrens.org/patient-resources/billing/financial-assistance>.
 - 3.2.2 Applications will be processed by the Financial Customer Service Department within 30 business days of receipt of all required documents.
 - 3.2.3 Family Financial Advocates are available to assist patients and families and are located at 3333 Burnet Avenue, Cincinnati, OH 45229, in the main hospital.
- 3.3 Without charge, Cincinnati Children's will make this Policy, the accompanying Application, and a plain-language summary available in paper during the initial intake process for new patients and upon request for established patients, and by posting notice of the availability of financial assistance prominently at outpatient, emergency, and inpatient admissions areas and on Cincinnati Children's website. Copies will be available in multiple languages, in a manner representative of the community that Cincinnati Children's serves. Cincinnati Children's will also include a conspicuous written notice on billing statements to notify and inform recipients of this Policy with contact information for the Financial Assistance Program and the website address of applicable materials.
- 3.4 After making reasonable efforts to determine eligibility for financial assistance and applying any available financial assistance, and after the passage of sixty days from billing, Cincinnati Children's may take the following actions in the event of non-payment of amounts due after all available financial assistance has been applied:
 - 3.4.1 Cincinnati Children's will send six monthly statements notifying the guarantor of any partial payments received, any remaining balance due, and any other circumstances for non-payment. If a payment plan has not been established or the balance has not been resolved, these accounts may be transferred to a collection agency. Neither Cincinnati Children's nor collection agents working on its behalf will take extraordinary collection efforts to obtain payment.

4.0 OVERSIGHT

All revisions of this Policy must be approved by the Chief Executive Officer. Authority for those amendments and operational authority for the execution of this Policy resides with the Chief Financial Officer.
