

2023 RIKEN BDR-CuSTOM Joint Organoid Symposium

# Integrated **organoid** science: Stem cells, Engineering, Medicine

February 15 (Wed) – 17 (Fri), 2023

Kobe Campus, RIKEN Center for Biosystems Dynamics Research (BDR), Japan

Co-Host: Center for Stem Cell & Organoid Medicine (CuSTOM),  
Cincinnati Children's Hospital Medical Center, USA

## Keynote Speaker

**Mitunori Saitou**

ASHBi, Kyoto University, Japan

## Speakers

**Michael Helmrath**

CuSTOM, Cincinnati Children's Hospital Medical Center, USA

**Meritxell Huch**

Max Planck Institute of Molecular Cell Biology and Genetics, Germany

**Prisca Liberali**

Friedrich Miescher Institute for Biomedical Research, Switzerland

**Kyle Loh**

Stanford University, USA

**Sasha Mendjan**

IMBA, Austria

**Mitsuru Morimoto**

RIKEN BDR, Japan

**Keiko Muguruma**

Kansai Medical University, Japan

**Yasuhide Ohinata**

Chiba University, Japan

**José Polo**

The University of Adelaide, Australia

**Emma Rawlins**

Gurdon Institute, University of Cambridge, UK

**Hirohide Saito**

CIRA, Kyoto University, Japan

**Toshiro Sato**

Keio University, Japan

**Minoru Takasato**

RIKEN BDR, Japan

**Takanori Takebe**

CuSTOM, Cincinnati Children's Hospital Medical Center, USA/  
Tokyo Medical and Dental University, Japan / Yokohama City University, Japan

**Shoji Takeuchi**

The University of Tokyo, Japan

**Satoshi Toda**

Nano Life Science Institute, Kanazawa University, Japan

**Takashi Tsuji**

RIKEN BDR, Japan

**Jim Wells**

CuSTOM, Cincinnati Children's Hospital Medical Center, USA

**Aaron Zorn**

CuSTOM, Cincinnati Children's Hospital Medical Center, USA

**Registration : FREE**

## Important Deadlines:

- > Abstract submission for oral presentations
- > Registration for participants requiring a visa to enter Japan  
**Friday, October 21, 2022**
- > Abstract submission for poster presentations
- > General registration  
**Friday, December 16, 2022**
