Sibshops is a nationally acclaimed program. Our Sibshops provide peer support as well as support from professionals and volunteers from Cincinnati Children's. Each session is a carefully designed "event" which celebrates the many contributions made by brothers and sisters of kids with special needs. Sibshops acknowledges that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many somewhere in between. Sibshops reflects a belief that brothers and sisters have much to offer one another...if they are given a chance.

The Perlman Center is pleased to partner with Child Life of CCHMC, Division of Developmental and Behavioral Pediatrics and Warren County Board of DD to bring Sibshops to the Greater Cincinnati area.
