

Quality Deep Dives

Sharing ideas, discoveries, and advancement so children in Cincinnati and around the world can thrive.

Cincinnati Children's Quality Deep Dives offer a unique opportunity for executives, operational leaders, and improvement professionals to gain insights into our world-class quality system. Our upcoming session on Aug. 29-30 provides a unique and interactive shared learning experience that will help you augment your knowledge and see first-hand how we are changing outcomes.

You will observe improvement in action, learn from our experts, and network with other professionals from around the globe. Example sessions include:

- A view into our approach to quality and operational excellence (Access, Safety, Outcomes, and Experience)
- A peek behind the curtain into our improvement framework and systems
- Dedicated time with frontline staff implementing improvement efforts
- Open Q&A with Cincinnati Children's leadership
- and much more
