CRIMINAL BACKGROUND CHECK DISCLOSURE

Cincinnati Children's Hospital Medical Center (CCHMC) is committed to improving child health. As part of our employment screening process, criminal background checks are conducted for all candidates. Criminal background checks promote a safe environment and help protect our patients, families, employees, property and information.

Please explain below any felony and/or misdemeanor convictions in Ohio or anywhere else. This includes any offenses to which you plead "no contest" and those where a judge has made an alternative finding (such as "pre-trial diversion," "adjudication withheld," or "deferred judgment"). Juvenile records, expunged offenses, and sealed records also must be disclosed, and are not an exception in our background check procedure. CCHMC can access <u>all</u> of your conviction history. Note that the only type of offense that you do <u>not</u> have to disclose is a misdemeanor traffic offense (like a parking or speeding ticket) unless your job would involve driving for CCHMC.

If you aren't sure or have a question about whether something should be disclosed, you should disclose it. If you have not been convicted of or pleaded guilty to a felony or misdemeanor, please indicate "none."
