

Ear and Hearing Center

at Cincinnati Children's Hospital Medical Center

Information To Be Provided *Prior To* Appointment Scheduling

Information needed from Parent / Guardian

- Parent Questionnaire*
- Insurance Card (copy of both sides or bring with you to appt.)
- Releases of Information (*to School, to CCHMC & from CCHMC*)*
- If you are not the child's custodial parent, we will need a copy of court verification of legal custody to determine who is allowed to make medical decisions for the child.
- Copy of Immunization Record
- Prior to appts., you must check with your insurance carrier to determine if cochlear implants are a "**covered benefit**" (see Parent Questionnaire).

Information needed from School / Early Intervention / HMG

- CI Referral for Educators/EI/HMG/RIHP* (to be completed by teacher and/or EI/HMG/RIHP representative)
- IEP/MFE from school
- Outside/Other Audiograms
- Speech Therapy Notes/Reports
- Aural Rehabilitation Therapy Notes/Reports
 - ❖ Please note—you may need to facilitate this information being provided to the CI Audiologist.

Information needed from Hospital / Clinic

- Audiograms (hearing tests)
- Any hearing aid fitting records
- CT scan/MRI report (if already completed)
- Other pertinent medical history reports if seen somewhere other than Cincinnati Children's Hospital (Neurology, Genetics, Developmental Pediatrics, etc.)
 - ❖ Please note—you may need to facilitate this information being provided to the CI Audiologist.

*forms provided

****The evaluation process, including insurance pre-determination, could take up to 3 months to complete *before* surgery scheduling can occur****
