Cincinnati Children’s and Avondale: Partnerships and Investments

Cincinnati Children’s invests $11.5 million in Avondale Community to improve child and community health by encouraging development, strengthening local nonprofits, and supporting workforce development in Avondale.

**Community Development**
Cincinnati Children’s Financial Commitment: $10 million over five years. Investments may include residential housing, real estate and other community development. Cincinnati Children’s will work with Uptown Consortium and other partners.

**Capacity Building**
Cincinnati Children’s Commitment: $1.55 million over five years. Capacity building grants for nonprofits serving Avondale Organizations advancing child and community health goals.

**Workforce Development and Economic Inclusion**
Maintain high standard of supplier diversity. Encourage and align workforce development efforts to help meet real ongoing job needs. Partner with others on career and workforce development efforts.

**Partnership and Investment Governance and Committees**
Members of governance and advisory committees includes representatives from a broad range of Avondale organizations, the city, members of the community and members of Cincinnati Children’s.

**Avondale Capacity Building Grants** measurably improve the health of local children and reduce disparities in Avondale by creating a framework for collaboration. Grants support activities that:
- Improve effectiveness and efficiency of current programs
- Evaluate and measure and continuously improve an existing program
- Scale, maximize and further leverage current assets and resources
- Implement quality improvement to better deliver services to target population
- Strengthen leadership and governance resulting in measurable impact
