Cincinnati Children’s Sponsorship Guidelines FY23
(July 1, 2022 – June 30, 2023)

Sponsorship Overview
Cincinnati Children’s sponsorship guidelines provide a framework for developing external partnerships and support for activities and initiatives aligned to our mission and strategic priorities. Organizations working to meaningfully improve child health will be given preference for sponsorship. Sponsorship funding is limited and based on annual budgetary allocations, alignment with strategic priorities, and adherence to sponsorship guidelines. It is our goal that sponsorships benefit Cincinnati Children’s, the community partner, and the shared vision of improving child health in the community.

  - Organizations that are seeking funding for multiple activities or initiatives should complete a separate application for each request. Please only include information for one sponsorship request on each application submitted.
  - Sponsorship requests made after the deadline will be considered on a case-by-case basis.
- Decisions regarding sponsorship requests will be communicated to the email provided in the application by Friday, July 22, 2022. All applicants will receive an email notification.
- Payment to the organization will occur once an invoice, W-9, and other requested documents are received and processed.
- Logo Usage and Ad Development: If a sponsorship includes logo usage or an ad, please contact [communityrelations@cchmc.org](mailto:communityrelations@cchmc.org) 90 days before the print deadline and indicate this on the application. All organizations must sign a Brand Usage Agreement before using Cincinnati Children’s logo. Please note, the Community Relations Department cannot provide a copy of the logo - all logo requests must complete the formal agreement process.
  - To initiate the Brand Usage Agreement process, please provide a defined image(s) of how the logo will be used as soon as it is available (i.e. a graphic image of the actual shirt in the intended color with proximity to any other logos, etc.). This also includes logo placement on websites, flyers, invitations, etc. A logo request cannot be submitted without this information. Of note, Cincinnati Children’s does not permit the use of its logo on social media – instead we can be recognized by simply listing Cincinnati Children’s.

The Community Relations team is available to assist in this process. Please contact Community Relations at [communityrelations@cchmc.org](mailto:communityrelations@cchmc.org) or 513-636-9327 for questions or comments.
