Construction Update: Critical Care Building

For our Avondale neighbors and community partners

Construction Progress

- Despite COVID-19 impacts, the Critical Care Building is on schedule to open on November 6, 2021, and exceed its diversity and inclusion goals for suppliers and workforce.
- Interior construction progress continues on all levels of the building.

Critical Care Building Art Program Takes Off

- South Avondale Elementary and Rockdale Academy students are contributing to artwork to the building.
- Pictured is Rockdale 2nd grader Myloh Chambers.

COVID-19: Mask Up to Slow the Spread

- The CDC recommends that you wear a mask in public and when you are around people who don't live in your household.
- Wearing a mask helps prevent people who have COVID-19 from spreading the virus to others.
- Masks are most likely to reduce the spread of COVID-19 when they are widely used by people in public settings
- For a list of COVID-19 Community Resources, visit [cincinnatichildrens.org/covid-19 community resources](https://cincinnatichildrens.org/covid-19-community-resources)

Want a Career in Healthcare?

- Apply to the Health Care Workforce Program sponsored by the Urban League, Cincinnati Children's and Queen's Village. See enclosed.

Want a Career in Construction?

- Thanks to the Uptown Workforce Development Initiative, 28 residents of the Uptown and nearby areas have been hired for full-time careers in construction and other fields. Fourteen more participants are on track to finish the program, which teaches basic construction skills. For more information, contact Stanley Warrenhuffman at 513-532-5165 or swarrenhuffman@eastersealsgc.org.

Reminder: Per the City of Cincinnati, construction activities can begin as early as 4 a.m. to help reduce traffic congestion and ensure the safety of the community. Thank you for your patience.
