

COVID-19 ► Help Us Stop the Spread of Germs

If you/your child have a fever, cough/sneezing and have recently traveled outside the US, especially high-risk areas, please notify us immediately.

Remember, the best way to stop the spread of germs:

Cough or sneeze into your elbow.

Dispose of tissues in the trash.

Wash hands with soap and water often.

Use hand sanitizer with 60% alcohol.

Avoid touching your face.
