

Social Media & The Adolescent Digital Tribe

Online Pediatric Grand Rounds

Overview:

View the Pediatric Grand Rounds, from July 13, 2021, in which Stephen J. Smith from *A Wired Family* presents on the topic of social media and the way teens view the world through a digital filter, a world mostly foreign to caregivers. He discusses the ways in which media and social media influences how children feel about themselves and how they feel about others.

Below is a list of sub-topics expanded upon during the presentation:

- Apps: Why they are Distracting
- The Impact of Porn
- Sexting: Who, What, Where & Why
- Mental Health: The Role Technology Might Play
