

## PROVIDER RESOURCE

### Cincinnati Children's Orthopaedics Fractures and Sports Trauma (FAST) Clinics

FAST Clinics are same and next day services for treatment of fractures and sports trauma injuries.

For clinical questions and consults, please use one of the following lines of communication:

- Monday – Friday, 8 am – 4 pm, **call 513-636-4567** to speak with an orthopaedic nurse
- Physician Priority Link (PPL) – providers needing a consult about a patient can **call 513-636-7997 or 1-888-987-7997** to speak with a Cincinnati Children's Attending Subspecialist anytime day or night
- Evening walk-in clinics can be reached during the following timeframes, May 2 – Oct. 27:
  - Green Township: Mondays, 5 – 9 pm, **call 513-803-8100**
  - Mason: Thursdays, 5 – 9 pm, **call 513-636-6800**

For patient appointments, please **call 513-636-4454**.

---

### Cincinnati Children's Sports Medicine

Same day and next day appointments for acute injuries are available at all of our locations.

Acute Injuries: Musculoskeletal pain from knee, ankle, foot, hip, back, shoulder, elbow, and hand injuries (muscle strain, joint sprain, suspected fracture)

Locations: Anderson, Green Township, Liberty Campus, Mason, Winslow

For clinical questions and consults, please use one of the following lines of communication:

- For non-urgent needs, **E-Consult** is available using Epic Link and provides electronic access to our faculty. Use an E-Consult Order in Epic Link and the "on call" sports medicine physician will answer within 2-3 business days.
- For urgent needs, the Physician Priority Link (PPL) is available. **Call 513-636-7997 or 1-888-987-7997** to speak with a Cincinnati Children's Attending Subspecialist anytime day or night.

For patient appointments, please **call 513-803-4878** or schedule online at [cincinnatichildrens.org/schedule-sports](http://cincinnatichildrens.org/schedule-sports).
