

The Integrative Care team plays an important role in your child's stay. Our team members can help make your child's stay more comfortable.

This brochure will give you information on:

- what integrative care means
- what services we provide
- contact information

Integrative Care is a free service offered to all patients and their families.

.....

All About Integrative Care

The Integrative Care team will work with your child's health care team.

We will:

- help your child cope with pain
- help calm and relax you and your child
- provide comfort for patients and families

How can Integrative Care help my child?

Massage Therapy

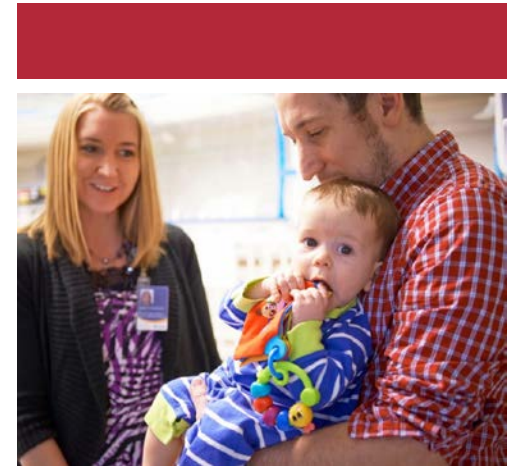

A licensed massage therapist can help reduce pain and help you relax.

Healing Touch

A staff member uses gentle touch to soothe and comfort.

Music Therapy

A music therapist uses music to help your child with fear or anxiety.

How can I contact Integrative Care?

If you or your child would like to have any of our free services, you can:

- talk with your child's nurse
- call 513 - 803 - 0071
