- To get results on a specific project
- To develop a common language & culture/behaviors

**Measures**

- Improvement on the I²S² assessment tool
- % of projects with results
- % of projects which are sustaining results 6 months after the course ends
- % of participants who have initiated and successfully completed an additional project and/or have coached an additional project within one year of completing the course

**Instructional Design - Intermediate Improvement Science Series**

**Key Drivers**

- **Content**
  - Relevant
  - Solid Improvement Science
  - Interactive
  - Apply as you learn

- **Session Structure**
  - Large Group
  - Small Group
  - Critique
  - Questions

- **CCHMC Project Learnings**
  - Positive results
  - “Failures”

- **Respond to Different Learning Styles**
  - Variety of presenters
  - Variety learning experiences

- **Meaningful Application Outside Class**
  - Project with consultation
  - Stimulating readings
