

Application Process and Deadlines

- Please complete the application form (page 2) and return to AIM_Communications@cchmc.org
- **The application deadline is May 3, 2021**
- Applications received after the deadline will be considered based on availability
- **Participants will be notified regarding acceptance by May 21, 2021**

Our Expectations of Participants

- Completion of previous quality improvement projects
- Have read and used *The Improvement Guide: A Practical Approach to Enhancing Organizational Performance* prior to the first workshop
- Develop a working knowledge of the information contained in *Quality Improvement through Planned Experimentation* during the course
- Skill in Microsoft Excel required
- Report on an improvement project and related assignments due at each workshop and conference call
- Collaborative learning and active participation in the program in the spirit of “All Teach, All Learn”
- The reading and review of a book related to systems improvement
- Submission of project findings for publication
- **Full participation in all events (including conference calls) over the course of the program.**

Course Fees:

- There is a \$8,500 fee
- Invoices will be processed following Session 1

The \$8,500 fee for the workshop will include:

- Four two-day sessions and five conference calls
- All program materials, tools, & *Quality Improvement through Planned Experimentation*
- Breakfast and lunch during each session
- Basic SPC excel-based software (PC only, does not run on Mac)
